## Haverhill

### You said...

Begging and thefts of charity boxes by a male and female in the town.

Speeding by one particular motorist in the early hours in Ousden.

### We did...

Officers arrested and interviewed a male and female on 18th Oct and released under investigation as further enquiries need to be carried out. Following further reports of begging on 1st Nov both

Pc Welford from the response team was in Ousden bright and early and stopped the driver responsible and on this occasion gave him words of advice.

### Responding to issues in your community

The news letter will contain information on current crime trends within the locality and provide updates on the work being done to tackle them. If required more detailed information on figures is available from the website [www.police.uk](http://www.police.uk)

We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.

The latest issues that we've been made aware of still consist of ongoing street drug dealing which we are pro-actively targeting with patrols when other incidents allow. A female suspected of drug activity was stopped by the Scorpion Team and searched, unfortunately this was negative on this occasion. A further drugs warrant was executed during October in the town, Cannabis recovered and a male charged with possession.

If you hold intelligence regarding a person or property connected with drug activity, please don't hesitate to contact Suffolk Constabulary on the details documented below.

### Making the community safer

A small number of motorists are deliberately flouting the speed limits, and one particular motorist even intimidating the Community Speed Watch members in a rural village.

Please remember Speeding is one of the Force's 'Fatal Four' and these CSW members assist the Constabulary greatly in helping to reduce speed on the roads and in particular in and around the village roads.

The intimidating motorist, or the registered owner of the vehicle, will be receiving a letter in the post.

### Preventing, reducing and solving crime and ASB

The Constabulary recently circulated information via the press and social media about a scam where the elderly and the vulnerable have been duped into purchasing large quantities of iTunes or similar vouchers. We continue to ask the community to spread the message to those they feel may be targeted. Pcs0 Scott who is our Crime Reduction point of contact, has been visiting various retail outlets highlighting this scam and issuing informative letters produced by our Crime Reduction team.

SNT officers attended to a report of shoplifting at a supermarket on 28th Oct and a male was detained having stolen £1500 worth of goods. He was charged and the court sentenced him to 22 weeks in prison which was suspended, 175hrs community service and his vehicle seized!

A reminder to be extra vigilant and ensure your properties are secure with appropriate lighting and if possible alarms and/or CCTV fitted following a spate of house burglaries particularly in the rural villages - CID officers are currently investigating.

By the time this Newsletter goes out Firework night has long passed us, however, some individuals still decide to carry letting off fireworks, sometimes not in the true spirit of a display. If we receive complaints of anti-social behaviour concerning fireworks we will take action where possible.
