Complaints about speeding within our SNT area

We did...

PCSOs have deployed at random locations and times across the area and have been conducting speed checks, and will continue to do so.

Inspector Stuart Weaver

Responding to issues in your community

We have issued a full Community protection notice to a male who has been persistently begging in The Town centre.

The Team are still working with partners and Help Our Homeless to ensure those most in need can access the services and support they require.

Making the community safer

We are continuing to work with Social Services and many Housing providers to support some of the most vulnerable tenants across the Town, who are often subject to exploitation from those trying to take over their homes to store and supply drugs.

This is called cuckooing, and we are part of ongoing work with IBC to address and raise the profile of this practice in an effort to stop it.

Future events

13/06/2018 Suffolk Ethnic Police Assoc (SEPA) engagement- Giles Circus 11am -2pm

20/06/2018 - International Refugee Week, Photo Exhibition, Le Tour Cafe, Waterfront from 5pm

Preventing, reducing and solving crime and ASB

Operation Parkland has been commissioned to address ASB across the summer months. The Team have been out and about seeking views from residents in our identified hot spots and a dedicated Team of officers have been tasked with actioning these issues.

This SNT covers the following parishes

Westgate Ward/St Margret's Ward/Alexandra Ward
