Responding to issues in your community

We are working with retailers and residents in the Norwich Rd to address ASB and crime in the evenings. 1 prolific individual has been issued with a Community Protection Notice excluding him from the area.

Making the community safer

'We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.' ACC Kearton, Local Policing.
