We did...

1. Patrols in parks and open spaces to reduce ASB including drug taking and paraphernalia
2. The NE SNT and Central SNT have worked together to combat these issues and regular patrols will be in place to tackle street drinking and ASB. SNT continue to liaise with local businesses and residents.
3. Partols in the area to prevent drivers and vehicles meeting in groups and revving engines

Responding to issues in your community

During the month of April 2019 there was a total of 695 investigations in the East of Ipswich. (Investigations relate not only to recorded criminal offences, but also safeguarding individuals). Criminal Offences recorded range from various assaults and public order offences to theft and burglary and drug possession.

Making the community safer

During the month of April 2019 we are still experiencing a number of Burglaries and attempted Burglaries of Dwellings, Garages and sheds across Ipswich. Method of entry has been via insecurities for example open windows and unlocked doors, by forcing patio doors and smashing windows at the rear of premises. Please remember to secure your property including doors and windows, do not leave notes on the door or leave the garage open for deliveries. Report any suspicious sounds of smashing glass to the Police on 999. Preventing, reducing and solving crime and ASB

The Eastern area of the County has experienced a high volume of vehicle thefts. Many vehicles targeted had been left insecure with items of value on display. We advise car owners and drivers to secure their vehicles at all times and refrain from leaving any valuables inside their vehicles. Those with keyless entry vehicle fobs or cards are advised to keep their fob or card away from doors and windows when at home or store them in a protective metallic container at home or protective Faraday pouch when out. Protecting your fob or card will prevent the signal being used by criminals with another device which enables them to gain entry to your vehicle. Switching your vehicle fob off when you are away on holiday is another way to prevent vehicle theft.

This SNT covers the following parishes
