Responding to issues in your community

During the month of August 2018 there was a total of 693 investigations in the East of Ipswich. (Investigations relate not only to recorded criminal offences, but also safeguarding individuals). Criminal Offences recorded range from various assaults and public order offences to theft and burglary and drug possession. Entering the Summer Months this a very busy time for the Constabulary with a number of Events requiring Police resources.

Making the community safer

There has been an increase in Police patrols in the Nacton area carried out by the Safer Neighbourhood Team and the Neighbourhood Response Teams to provide reassurance to local residents. The aim of the patrols is to disrupt individuals concerned in crime and to reduce Anti Social Behaviour. We have adopted a multi agency approach and two dedicated Youth Support Workers have been engaging with young people in the area.

Preventing, reducing and solving crime and ASB

Operation Parkland will be extended and Police patrols in parks and open spaces will continue until the end of September 2018.

The annual knife crime/weapons amnesty Operation is running from 18th to 24th September. There is a yellow knife bin located outside the CO-OP on Queens Way Ipswich and another on Princess Street Ipswich.

This SNT covers the following parishes

The wards of Bixley, Gainsborough, Holywells, Kesgrave, Priory Heath, Rushmere St. Andrew (town), Rushmere, St. John's.
