Responding to issues in your community

During the month of November, there was a total of 642 investigations in Ipswich East. This is a reduction from October where we recorded 740 investigations. (Investigations relate not only to recorded criminal offences, but also safeguarding individuals). Each ward has been affected by, residential / garage / shed burglaries, thefts from motor vehicles, criminal damage and ASB incidents. Investigations also include, reassurance and crime reduction surveys.

Making the community safer

A major concern of our local communities, across each ward, are speeding motorists. During our regular partnership meetings, local councilors representing their various wards have identified areas of concern. Local funding has been successfully obtained and Speed Indication devices have been purchased. These will be deployed on roads identified as a concern throughout our SNT area.

Preventing, reducing and solving crime and ASB

We have received reports of Anti Social Behavior in Gladstone Road, Ipswich where youths are acting in a rowdy and inconsiderate manner. Officers from the Ipswich East SNT have completed a leaflet drop to gauge community concerns. Following on from this, we have visited residents wishing to discuss these matters further. The families of those causing the issues have been visited and advice has been given. Our SNT officers continue to patrol the area at relevant times.

This SNT covers the following parishes

The wards of Bixley, Gainsborough, Holywells, Kesgrave, Priory Heath, Rushmere St. Andrew (town), Rushmere, St. John's.
