1. After inter agency working, it was agreed that the car park would close at 8pm daily. This is now in operation and the previous ASB issues have now stopped.
2. Ongoing investigation into recent spate of damage to vehicles. High vis patrolling and house to house enquiries. No further damage at present.
3. We have seen a dramatic decrease in ASB in this area. Regular patrolling continues and any ASB observed will be dealt with by officers.

Responding to issues in your community

During the month of February, there was a total of 623 investigations in Ipswich East. This is down from January, where we recorded 687 investigations. (Investigations relate not only to recorded criminal offences, but also safeguarding individuals). Each ward has been affected by, residential / garage / shed burglaries, thefts from motor vehicles, criminal damage and ASB incidents. Investigations also include, reassurance and crime reduction surveys.

Making the community safer

A major concern of our local communities, across each ward, are speeding motorists. During our regular partnership meetings, local councillors representing their various wards have identified areas of concern. Local funding has been successfully obtained and Speed Indication devices have been purchased. Our SNT officers now deploy these devices on the roads initially identified and this will continue to happen throughout our SNT area.

Preventing, reducing and solving crime and ASB

Our SNT have recently developed intelligence surrounding drug activity in the Ipswich East area. Our officers have since executed several warrants, resulting in a number of arrests and the seizure of a significant amount of drugs.

We also continue to receive reports of thefts from motor vehicles in the Ipswich East area. Our team have continued to offer crime prevention advice, whilst also providing a visible presence. Plain clothed officers have also been deployed to specific areas.

This SNT covers the following parishes

The wards of Bixley, Gainsborough, Holywells, Kesgrave, Priory Heath, Rushmere St. Andrew (town), Rushmere, St. John's.
