# YOUR SAFER NEIGHBOURHOOD TEAM REPORT IPSWICH EAST SNT

The wards of Bixley, Gainsborough, Holywells, Kesgrave, Priory Heath, Rushmere St. Andrew (town), Rushmere, St. John's.

COVERING

990 INCIDENTS RECEIVED

403 INVESTIGATIONS RECORDED

## YOU SAID...

1. ASB occurring on Rushmere Heath.
2. ASB use of mopeds, motorbikes on open spaces around East Ipswich
3. ASB at Selkirk Road, Coop.

## WE DID...

1. Continued targeted patrols in and around the heath. There has been further criminal damage on the heath, caused by motor bikes and pedal cycles and also an arson, which are all currently being investigated. Our SNT continue to patrol the heath and will monitor this area and deal with any ASB direct.
2. The use of mopeds and motorbikes on the open spaces around the East of Ipswich, has decreased since the beginning of this issue being mad a priority. Our team are pro-actively targeting those individuals responsible and have gathered intelligence and issued Section 59 warnings to moped and motorbike users, who ride in an anti social manner. This pro-active approach will continue, along with Engaging with users of the areas concerned offering advice and reassurance.
3. Our SNT officers in conjunction with the antisocial manger from East of England COOP, are contniuing towards engaging with the youth and their families to understand what the issues and concerns are. Both the Police and the COOP are working towards a long term solution for the community. At this time several youth have received community resolutions for their behaviour and we continue to meet and engage any unruly behaviour head on.

# FURTHER INFORMATION

## KESGRAVE:

We have recorded 1 burglary offence, 5 criminal damage offences (both building & vehicle). 8 theft offences.

## HOLYWELLS:

We have recorded 6 burglary offences, 4 criminal damage offences (both building & vehicle). 21 theft offences.

Difference in detailed offences to totals will be made up of such things as public order offences, domestic incidents and harassment along with other agency referrals.

## SAFETY ADVICE

With the evenings beginning to draw in, we would like to remind local residents to ensure that windows and doors are secure when your property is left unattended or when you are asleep. Even a small vent window can give a potential burglar the opportunity they need to enter your property.

Likewise, please ensure that your garage is properly secured, especially if access to the house can be gained from the garage. This applies to other out buildings including sheds and other storage areas.

Interestingly, only 15% of garden sheds across the UK could be described as 'very secure'. Burglars will often go into the shed or other outbuilding to find a tool to help them force open a door or window of a house. Please ensure your shed is properly secured.

You can find more information on protecting your home, by visiting the Suffolk Police website [www.suffolk.police.uk/safetyadvice](http://www.suffolk.police.uk/safetyadvice) or you can contact the Ipswich East Safer Neighbourhood Team, Tel. 101
