Responding to issues in your community

Reports of antisocial behaviour in the Turin Street/Bell Close areas remain our top priority. We are conducting high visibility patrols in the area aimed at deterring and disrupting groups collecting in alley ways and outside business premises. On Thursday the 24th of January, we conducted a day of action in the area. Ten people were stopped and searched and two priority offenders were arrested as they were found to be at an address in the area.

A burglary was reported at Castle Hill primary school on the 19th of January where four offenders entered some buildings within the school premises. They caused harm to some chickens that were being looked after by year 1 and year 2 pupils at the school. In relation to this, one teenage male has been arrested and is awaiting referral through the youth justice system. Enquiries are continuing to deal with other persons responsible. Officers from the safer neighbourhood team attended the school on the 28th of January spending time with all reception and year 1 classes.
