**1484** INCIDENTS  
RECEIVED

**816** INVESTIGATIONS  
RECORDED

**YOU SAID...**

- 1) Moped Thefts in North West Ipswich
- 2) Hawthorn Drive ASB

**WE DID...**

1. If you have been monitoring our Twitter accounts you will have seen us promoting some of the good work we have been doing in this area. We have successfully prosecuted a 16yr old for Thefts/ unauthorised taking of Mopeds/Motorbikes and secured a Criminal Behaviour Order through the Courts. We have been relentless around this and have further arrested the youth for a number of breaches of this order which has now resulted in the youth being remanded into custody until being sentenced for the unresolved matters at Court which is a great result. Other youths have also been arrested and dealt with both through the justice system and also through intervention with our Youth Offending Service for taking vehicles without consent, Handling stolen mopeds and driving without licenses and insurance.

2. Active patrols are being carried out by our PCSO's however this ASB issue is now being targeted by Op PARKLAND. This is a small team of officers which has been set up to solely target ASB hot spots and dealing with repeat ASB offenders. A notable arrest was made recently of a youth who we suspected to be actively involved in ASB involving mopeds and dealing drugs and they were subsequently charged to court. OP Parkland will continue with their targeted patrols throughout the Summer holidays which we envisage being busy.

## FURTHER INFORMATION

As mentioned we have been working tirelessly to deal with the theft of motorbikes and mopeds in the North West of Ipswich since April and are seeing some positive results now through the courts and we should find that this has a positive effect within our communities and making people feel safe and reassured that we do listen and do take all necessary action required to deal with those hurting our communities.

We continue to utilise Community Protection Notices to reduce Ant-Social behaviour and associated criminal behaviour and have set up a dedicated team to deal with ASB which targets their patrols solely around the areas suffering from such issues and also targeting the offenders.

On a sad note we have had to say goodbyes to PC Kerry Green within the last 4 weeks who resigned to take up another career outside of the Police Service along with PC Redmond who has moved into a new role at HQ within events planning and PCSO Craig SMITH who was successful with his application to become a Police Constable. We wish them luck in their new roles.

For information Operation PARKLAND consists of PS MANN, PC LANT, PC GOOCH and PC Matt MILTON and as mentioned they are solely targeting ASB during the summer months.

The South West of Ipswich featured quite heavily during Operation Electricity where we have carried out a great deal of positive enforcement around the drugs supply in Ipswich. This has been publicised through the media and on twitter as I have no doubt you will have seen. This has seen collaboration with Norfolk, Op Woven, Roads Policing and drugs teams as well as your local Police teams to bring about such positive results.
