FURTHER INFORMATION

Welcome to the January edition of the Beccles Safer Neighbourhood Team newsletter.

There are still Police Cadet Vacancies at Baccles

If you need Crime Prevention advice you can either make contact with us in the SNT or alternatively you can find a wealth of guidance on the Suffolk Police website.

Suffolk Police's volunteer police cadets and Emergency Services Cadets are an important part of the extended police / fire family.

Their role is to help progress current policing initiatives in the local community. They assist with events including the Suffolk Show, town fairs, carnivals and charity events.

They also support the important work of safer neighbourhood teams and are taught basic knowledge in a variety of policing activity.

The aims of the scheme are:

- to promote and encourage a practical interest in policing / emergency services work among young people
- to provide training which will encourage positive leadership within communities
- to encourage the spirit of adventure and develop qualities of leadership and good citizenship.

What will young people get out of the scheme?

Young people who join our cadet schemes will get the chance to develop skills that will assist them in the job market, encourage good citizenship, help them to make positive life choices, and influence the shape of the community and the police / Fire service of the future.

Resolutions for your Home and Personal Security#

1. Secure your home

Fit secure locks to all doors and windows.

Use light timer switches.

Keep sheds and garages locked.

Lock garden tools away.

Register your keys with SAFEKey to help reunite you if they're ever lost.

3. Join in with your community.

Help fight crime by joining your local Neighbourhood Watch.

5. Make your phone work smarter

Install a tracking app to help locate lost or stolen devices.

Protect your phone or tablet by registering devices at www.immobilise.com.

Always use a PIN code to lock your device.

2. Avoid heating oil thefts

Position 'dusk 'till dawn' lights close to your tank.

Ensure your perimeter fence is as high as possible and not easy to climb.

Invest in a good quality lock to offer better resistance.

Check your oil gauges regularly.

4. Online Safety.

Have different Passwords for online accounts, make them strong and change regularly.

Use secure networks where possible.

Ensure your anti virus is up to date.

Shop from official websites you know and trust.

Be careful what personal information you share online and never reveal financial details.
