### Responding to issues in your community

The SNT have this month been engaging with a local social activity group, 'Men's Sheds' who had asked for advice after an incident of Criminal Damage to property. Crime prevention advice is always available on the Constabulary website too.

### Making the community safer

The SNT have been working with Response Officer colleagues providing information about where suspected drug activity might be occurring in Leiston with a view to targeting patrols. This information has come from members of the public who have approached us on patrol and from e-mails to the SNT.

### Preventing, reducing and solving crime and ASB

We have been working with partner agency Suffolk Coastal District Council in relation to a number of motor vehicles which had been abandoned in Framlingham & Saxmundham. Our aim is to have the vehicles removed. Abandoned vehicles offer opportunities for further offences, so please report when you see cars etc which appear abandoned.
