## Leiston

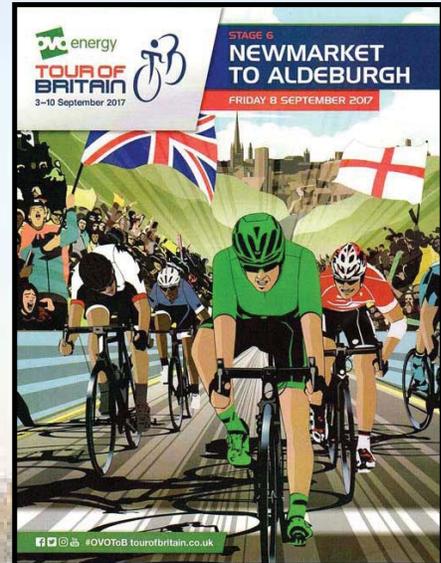

### You said...

Speeding concerns throughout rural villages and patrols in town for traffic and parking offences.

### We did...

Speed enforcement has been completed in the Hacheston area by PCSO's and the Special Constabulary.

PC's has patrolled the high streets and a ticket was issued for driving whilst using a mobile phone.

### Responding to issues in your community

**DRUG DEALERS ARRESTED:** Our proactive team stopped three males in Leiston on the street and Class A drugs were seized. Two were arrested for possession with intent to supply and the third arrested for possession.

Also this month a warrant was conducted by officers under the Misuse of Drugs Act, during this three occupants were arrested for possession with intent to supply and a large amount of class A drugs were seized.

### Making the community safer

We are currently supporting a victim of Domestic Violence through the use of a Domestic Violence Protection Order, which acts in the same way. The offender was arrested and left custody with a notice which was then upgraded to a full order by the court. This is similar to a restraining order with an aim to protect the victim from further coercion and control by the offender. It prevents him from attending her location, threatening or intimidating her with violence.

### Preventing, reducing and solving crime and ASB

In Saxundham a penalty fine has been issued to bar staff of a Licensed premises for making a underage sale of intoxicants to a youth.

Additionally a male has been issued with a £90 fine for supplying alcohol to a 15 year old female at a Licensed Premises.

SNT attended to a 16 year old's birthday party which was not being supervised. An assault has been investigated with an offender being arrested on the night. Alcohol was removed from from the premises and cannabis was seized from one individual.

### Future events

The Great Framlingham Sausage Festival is on Sunday 8th October from 10 am to 4 pm.

The Saxons Five Mile Race takes place on Sunday, 15th October at the Carlton Park Recreation Ground. Junior races start at 10.15 am. The adults race starts at 11 am.

SNT Officers will be working proactive late shifts for Halloween and the Guy Fawkes Bonfire night period so that people can feel safe and enjoy their evenings. We will be working with local schools and retail stores around promoting good behaviour.
