FURTHER INFORMATION

Future newsletters will have a breakdown of the monthly crime figures; our new computer system is under going a few tweaks and hopefully will be fully functional soon!

Thank you for the recent information about drug dealers in Lowestoft. Keep letting us know any information you have.... each piece of intelligence you tell us is like a jig-saw piece and once we have enough pieces of the jigsaw we can take action and obtain a drugs warrant!

You can get in touch with us either by calling 101, emailing the SNT using:
lowestoft.snt@suffolk.pnn.police.uk

Or you can provide information anonymously by contacting crime stoppers 0800 555 111

There has been 13 theft of pedal cycles in Lowestoft since April - here is some cycle advice:-

Don't cycle on footpaths or in pedestrian areas or you could face a £30 fine

Use designated cycle paths where available

Make sure your bike is in good working order and safe to ride

Always use bike lights when travelling in the dark or in conditions of reduced visibility

Invest in a good quality lock for your bicycle – D locks are the most effective and a worthwhile investment

Use a lock to secure the bike-stand, wheel rim and frame together – making it more difficult for a thief to take

Never leave your bike unlocked in a public place - leaving it unattended even for a minute can mean it is gone when you return

Find a suitable location to leave and secure your bike – dark alleys, drain-pipes and posts are all best avoided

Get your bike security marked by your local Safer Neighbourhood Team – making it readily identifiable should it be recovered

You could register your bike using a third party service to further protect it such as Bike Register or Immobilise.

Overnight, and if there is room, inside the home is the most secure location to store your bike. Bikes kept in garages and sheds in particular should be properly secured.
