Inspector Liz Casey

Responding to issues in your community

On Saturday 28th April, officers from the Lowestoft SNT worked with the Traffic Specials and had a day of road traffic enforcement. 25 Traffic Offence Reports were given for vehicle defects, invalid insurance details and no MOT. 3 Vehicles were seized and 17 drivers reported for speeding. A productive day where new recruits learned a range of valuable skills that they will use throughout their careers.

Making the community safer

A multi-agency meeting where a number of school representatives were in attendance took part on Tuesday 1st May at Lowestoft Police Station. They discussed the impact that county lines drug dealing and child sex exploitation has on our community. Officers from the SNT and the Area Intelligence Unit discussed how school staff can assist with safeguarding the young people in our community and raise awareness of key push and pull indicators.

Preventing, reducing and solving crime and ASB

Increased reports of begging and street drinkers have been made in the town centre. Community Protection Notices have been issued whereby offending persons are expected to follow conditions that prohibit them from acting in an anti-social manner. If these conditions are breached then they are enforceable through penalty fines up to £2,500.

This SNT covers the following parishes

Wards of Kessingland, Pakefield, Carlton Colville, Carlton, Whitton, Kirkley, Harbour, Oulton, Oulton Broad, St Margarets, Normanston, Gunton, Corton and Lothingland
