### Responding to issues in your community

There has been a number of cycle thefts in Lowestoft where nearly 60 push bikes have been stolen from in the town and near the sports centre. Lowestoft SNT, Beccles SNT and Lowestoft NST have been working closely together with the victims to make enquiries. For more information about how to keep your cycle safe, please visit [www.suffolk.police.uk](http://www.suffolk.police.uk).

### Making the community safer

PCSO Soanes has been raising awareness of mobility scooter safety in the town centre. There have been a number of incidents whereby pedestrians have been injured due to unsafe driving of mobility scooters. PCSO Soanes is grateful for the amount of support he has received in raising this awareness as a careless driver was identified and dealt with.

### Preventing, reducing and solving crime and ASB

A number of properties in residential areas have been subject to egging over the last few weeks. The SNT are working closely with the victims and local businesses. PCSOs have been viewing CCTV and working with the School Liaison Officer to identify those responsible. We are not accepting Halloween as an excuse for this type of behaviour.
