Responding to issues in your community

Following a number of complaints received by local residents we have carried out extra patrols in the areas where ASB has been reported. In particular youths playing knock and run on local residential estates and ASB in the Market Place.

Making the community safer

We continue to work closely with Mildenhall College we have attended a number of assemblies at the school bringing awareness to students about Knife Crime and County Lines we and have also attended parents evenings raising awareness to parents about the same issues and talking about keeping their children safe on social media.

Preventing, reducing and solving crime and ASB

Community Camera Safety Team will be frequently monitoring A1101 for the foreseeable due to the dangerous speeding occurring on this road.
