### We did...

1. Enforcement patrols being carried out by SNT.
2. Increased patrols in area, engagement with local residents, discussions to be held with other agencies.

### Inspector Mark Shipton

### Responding to issues in your community

We will be holding a meeting with partner agencies in December to discuss the issues reported, with a view to holding a residents meeting at the Community Centre in the New Year. Please monitor future events for details.

Parking and speeding continue to feature on public engagement and we are aware. As such we carry out weekly patrols based on intelligence of it being an issue, unfortunately we cannot be everywhere when offences take place.

### Making the community safer

Halloween and Bonfire Night came and went with very few issues, local officers were out on patrol both nights. They even managed to engage with some of the youngsters handing out sweets to the scary little monsters (photos on twitter).

I would like to encourage all members of the public to report any crime or incident of anti-social behaviour, it may seem trivial but each piece of information received helps to build the bigger picture and allows us to focus our attention on it.

If you require more detailed information on crime & anti-soical figures they are available from the website [www.police.uk](http://www.police.uk).

## **Preventing, Reducing and Solving Crime and ASB**

'We have spoken to you a lot about the changing demands we are facing in policing our communities and keeping you safe. In order to keep you updated and to help you understand the demands that we are dealing with on a regular basis, we have developed a focused section as part of this newsletter highlighting the demands at both your SNT and force level across a typical week. This information provides you with the context in which your local teams are currently working. We hope that you find this helpful and informative.' ACC Kearton, Local Policing.

The team have continued to respond to calls of ASB and Drug Dealing in the area of Brick Kiln Lane. Engaging with residents to build up the picture of when the issues are occurring and in response we will be carrying out high visibility patrols to disrupt and catch those responsible. Remember if you see anything suspicious please phone it in or if not urgent contact us on the email address above.
