Inspector Mark Shipton

Responding to issues in your community

We will be looking at working with partners and local residents to tackle issues identified to us by residents of the St Johns Estate. Please monitor future events calendar for details of a Multi Agency Meeting.

Making the community safer

The team are continuing to target with enforcement speed identified in areas by the public as an issue.

Work continues around gathering information in relation to any drug concerns people may have, with a view to carrying out future warrants to target these offences.

Preventing, reducing and solving crime and ASB

Halloween and Bonfire Night are just around the corner, should you wish for any advice to prevent door knockers please contact us and we can provide you with a link to the relevant poster/s.

If you require more detailed information on crime & ASB figures they are available from the website www.police.uk.
