### Responding to issues in your community

There has been much coverage on Social Media around criminal damage to vehicles. Of those reported they are under investigation by a dedicated investigating officer. SNT responded by holding an impromptu crime prevention stall on 31st August. A few members of public attended and were offered advice.

Our first Fun Day with the Fire Service was a great success on 2nd September in Newmarket. Good weather also assisted with an excellent turn out and (to be confirmed) £3500 raised for charity.

### Making the community safer

Tickets issued within town for parking especially in dangerous positions (pedestrian crossing and zig zag lines). We will be working with local town center businesses in the future to help eradicate the illegal parking.

### Preventing, reducing and solving crime and ASB

Shoplifter detained and cautioned by Police after high value theft.

Engagements carried out on Fridays throughout the Summer.
