1. ASB in the guineas Newmarket.

We did...

1. Extra patrols carried out and some young people spoken to with their parents. Community protection warning letters issued to a group of young people.

Christmas Party

Responding to issues in your community

speed checks carried out in Snailwell Road following community concerns no enforcement action was necessary. Newmarket SNT have also been supporting the District Council with the relocation of the Market. Temporary restrictions are in place on the High Street overnight on Monday and Friday nights from 1800hrs where there is no parking.

Making the community safer

During the month of December we attended Newmarket Day Centre to help staff serve the lunches to the elderly. We gave them some crime prevention advice as well as supporting the staff. We also worked with Newmarket academy and held a party for the vulnerable in the community. We had a sing along with pupils from the local schools.

Preventing, reducing and solving crime and ASB

Extra patrol carried out after a series of Burglaries in the area. Also property recovered from a recent burglary the British Heart Foundation has been returned to them. The SNT have been working closely with response teams and CID to provide support to the ongoing issues of burglary and theft in the town.
