Problems with youths in evenings, around Academy and Leisure Centre

We did...
Frequent patrols of areas, identifying suspects. IVs have been made pending Youth Offending decisions.

Responding to issues in your community
Suffolk Constabulary have restructured their SNT providing more officers in the departments. Some of these officers have been based at Brandon increasing coverage of PCs in the town.

Yellow Brick Road patrols have been stepped up in the wake of recent incidents. Our CID colleagues are working hard in the investigations and we are liaising with local Council to provide extra security and reassurance in the area.

Making the community safer
84 parking tickets issued throughout September and October in various locations in the town.

Preventing, reducing and solving crime and ASB
Police are part of multi agency working to support businesses due to the youths causing ASB in the town. Meeting being held on 7th November for all agencies to decided on how this is progressed in town.

This SNT covers the following parishes
Exning, Newmarket.
