## **Information re: Lost Property Reporting**

As part of an insurance claim for lost property, you have asked your customer/client to report this lost property to the Police, or to provide a lost property reference number. For your information, Norfolk/Suffolk Constabulary does not take reports of lost property and will not issue lost property reference numbers as we do not investigate or validate claims of loss. This is because lost property is not a Police matter, so there is no legal requirement to report it to us.

We have advised your customer/client to send this standard notice to you as confirmation of the above.
