Information re: Lost Property Reporting

For your information, Suffolk Constabulary does not take reports of most items of lost property and will not issue property reference numbers as we do not investigate or validate claims of loss. Lost property is not a police matter, so there is no legal requirement to report it to us.

We have advised your customer / client to send this standard notice to you as confirmation of the above.

For more information on this, visit our website at www.suffolk.police.uk.

Yours sincerely

Gareth Wilson
Chief Constable
