FURTHER INFORMATION

This month's further information contains an Op Woven update and also a guide to shed and garage security following a series of shed breaks in the locality.

Op Woven

The team have arrested in excess of a dozen people for various offences from drug dealing, money laundering, robbery and burglary. Significant amounts of cash and drugs have been recovered, that would have been destined for Ipswich

Two persons have recently received sentences from Crown Court. One, Brandon Smith, received a 3yr 9 month custodial sentence for drugs offences and a Criminal Behaviour Order that will remain in place until 2022.

A juvenile was sentence to a 3 year rehabilitation order and is also subject to a Criminal Behaviour Order, which will remain in place until 2020.

If you have any information relating to drug dealing, the selling of stolen property or any information you feel is of use to the police you can contact us through the following methods:

Dial 101 - only use 999 in an emergency

Use our Online reporting tools via www.suffolk.police.uk

Contact your local SNT via our email address

Contact Crimestoppers, which is completely anonymous 0800 555 111 or via their anonymous website form www.crimestoppers-uk.org

FURTHER INFORMATION

Since the beginning of April, there have been over 40 such incidents, whereby expensive items such as power tools, fishing equipment, golfing equipment, cycles and gardening equipment have been stolen.

In a high proportion of these crimes, hinges have been unscrewed and or locks forced. However, in some incidents some sheds have been in a poor state of repair or left insecure.

The following steps will help to ensure that your shed and contents stay secure:

- Fittings should be bolted through the door and reinforced at the back with a steel plate or washer; hasps should have concealed screws.
- Fit good locks to all doors. Padlocks should be at least 6cm/2.5 ins wide, hardened steel, have at least 5 pins and be closed shackle.
- Make sure that the shed is in good condition. Weaknesses such as rotten wood or holes in the doors or windows will be an easy access point for a burglar, even if there are good locks on the doors.
- Consider fitting an alarm or investigating if your house alarm can be extended to cover the sheds/garage.
- Secure items within the shed. Lock items to each other with a quality lock or secure them to a fixed point in the floor.
- Make sure that the boundary fence is in good order, at least six foot high and check that gates are locked.
- Use dusk to dawn security lights around the shed.
- Security mark property and register it on www.immobilise.com.

If you see or hear anything suspicious, call police on 101 or 999 in an emergency.
