Welcome to our new newsletter which has replaced the old town and parish council reports following the Suffolk local policing review.

Local crime information is unavailable at this time as our analytical team are working on an improved search facility to ensure that the figures quoted are accurate. We will keep you posted on the progress for this.

As explained at my Bury St Edmunds Safer Neighbourhood Team area public meeting on the 30 th March 16, there have been changes county wide to both geographical boundary's and how we work. The SNT specialist roles highlighted will be carried out alongside regular crime fighting duties that our officers currently perform.

If you need to get in touch to discuss a long term issue, please do so using the contact details above. In an emergency, dial 999.

Thank You
