2. The local team have identified ring leaders made arrests, and made use of Community Protection Notices.

Making the community safer
On 9th June, we attended Haughley Fete and Beyton fair, giving us an opportunity to engage with members of the community.

On 23rd and 24th June - We turned up at StowFiesta in Stowmarket, to provide a visible presence and engage with the community.

On 29th June, we have attended Woodley School fete to meet members of our community. On the same day we have attended the Cedars Park AGM, to listen to concerns from our community around ASB they are experiencing.

Preventing, reducing and solving crime and ASB
Concerns raised by residents in Mendlesham village over speeding. We have arranged with our Safety Camera team for a Speed data Recorder (SDR) to be deployed which due to the data received, has now been adopted by our SafeCam team, who will now carry out enforcement in the area.

OP Sceptre is an Operation around knife crime in the county, and we have visited local High schools to reinforce the message around carrying knives, and the dangers this leaves people open to.

As our part in Crucial Crew this year, between 18th June - 28th June, the team visited 'The Mix' each day to engage with Year 6’s from around the region to educate them around on-line security and safety.
