481 INCIDENTS RECEIVED

281 INVESTIGATIONS RECORDED

YOU SAID...

1. Reduce repeat anti-social behaviour by named persons in the village of Bures.
2. Target class A drug dealing at key locations in Sudbury

WE DID...

- 1- Successful conviction for a public order offence for one party concerned. The other party has been served an eviction notice and the legal process is underway. We are also supporting a vulnerable male with assistance whilst he entertains a mental health assessment.
- 2- We have worked with partner agencies such as housing providers and social care, to build intelligence to combat residential properties in Sudbury being used by out of County drug dealers. An increase in local intelligence has resulted in successful warrants and a premises closure order is currently being drawn up.

FURTHER INFORMATION

- UPDATE ON CRIME DATA

Crime data is for February 2017. This is to ensure that all crimes during a month are captured accurately. Unfortunately, not all crimes will be reported and counted by the time our newsletter is published (7th of each month) and so this delay ensures that the data received is correct and a true reflection of what has taken place. We will mention any more recent crime series within the further information area if appropriate.

-The 6 burglary dwelling offences occurred in Sudbury (1), Little Cornard (1), Assington (1), Shimpling (1) and Leavenheath (2). At this time we continue to explore various lines of enquiry but there is no indication that they are all linked.

- CURRENT ISSUES

- We were called on Monday 27 March, by the East of England Ambulance Service at 10.45am reporting that a man had been stabbed in the cemetery on Constitution Road/Newton Road in Sudbury .

A man in his twenties was taken to hospital with a single stab wound in his back. His injuries are not believed to be life threatening or life changing at this time. Officers were on the scene very quickly and an investigation is now underway.

- Shortly before 10am yesterday, Tuesday 28 March, the teenager was walking along Nursery Road when she became aware of a man standing in front of her. As she walked past him, he is said to have grabbed her left arm and spoken to her whilst holding an unknown object against her back.

The pair walked a short while together before the girl was able to break free and run away. The victim was shaken as a result of the incident but was uninjured.

The man is described as white, approximately 5ft 9ins and in his mid-thirties. He was wearing a grey jacket with black jogging bottoms and black shoes, with a distinctive white 'N' on the outside of both shoes.

- We are currently planning our response to the numerous Parish Council Annual General Meetings. We are looking to be present at the majority of these across our area, and look forward to seeing, and speaking with you there.

FURTHER INFORMATION

- Sunday 4th April saw the Constabulary celebrating its 50th Anniversary. Pc Bourne had the pleasure in attending along with several of our Cadets and a special guest - Mr E Wright, a former Suffolk Sgt who served with us 1953-1983. Mr Wright presented PC Bourne with a comprehensive report giving an overview of his time in the Force which makes enlightening reading. One notable mention being ' patrols were either on foot or bicycle, before leaving the station the duty Sgt would nominate certain places at defined times where you had to be for 5 mins during your patrol. These were called conference points. Most of these points were at a telephone box where the duty Sgt would either meet you, call you or ignore you. ' A bit different to today's policing.

PROTECTING YOUR PROPERTY The effectiveness of investing in home security has recently been highlighted in Bury St Edmunds in an attempted burglary that has resulted in the arrest of a prolific burglar. The home owner in question had fitted a video enabled door bell. This sent a message to his phone alerting them that someone was at the his door of his house and streamed a video of the person, in this case trying to break in. The police were alerted and on viewing the video of the person, in this case trying to break in. The police were alerted and on viewing the video footage were able to identify the offender and make an arrest.
