SNT Newsletter

Sudbury

You said...

You wanted an updated news letter detailing what was happening in your area and the rest of the county.

We did...

It is expected that the Newsletter format will be changing next month to a very professional and attractive looking publication. This will still be distributed through the same channels, and will provide information about other areas also.

PC Jon Gerrish

Responding to issues in your community

In recent weeks reports have been received regarding begging in and around Sudbury Town Centre. Some of the behaviour has been affecting the commercial premises in the town and also upsetting members of the public. We have engaged with those involved offering support and advice on various matters including housing and finances. Those who would not engage have been dealt with via the court system.

Making the community safer

OP Sceptre, the week of action around knife crime was very busy with increased advertising of the amnesty bin in Sudbury, and numerous inputs at schools and colleges in the area. We had 113 knives handed in for destruction. The bin continues to be used, mostly by people wanting a safe disposal of household knives.

Preventing, reducing and solving crime and ASB

This month Sudbury Police participated in Crucial Crew. This is a multi agency event organized by the Sudbury Rotary Club. Over 750 students from years 5 and 6 (from 27 schools in the area) attended and gained essential stay safe and life saving skills. This year the police gave two sessions to each child on "Staying safe online" and "County Lines".
