Responding to issues in your community

Speeding continues to be a concern in the community. Sudbury Police along with the Safety Camera team and Speed watch have performed checks at previously identified sites. This will be reinforced by a week long initiative across the county starting 06/08/18. In June 2018 90 letters were sent to or visits made to motorists having been identified by Speed Watch

Making the community safer

Fire Advice
With the continued hot weather we join with the fire service in reminding you
Do not discard cigarettes in the countryside
Do not leave glass items around after a picnic or barbecue
Put all litter in the bin
If you see a fire in the countryside, report it immediately
Don't attempt to tackle fires that can't be put out with a bucket of water – leave the area as quickly as possible

Preventing, reducing and solving crime and ASB

The new social media is being used to update the community with crimes that have occurred and crime prevention advice.
This month information on home security during this hot weather has been provided.
We have attended numerous community events including The Long Melford Street Fair and the Party in the Park. Officers were able to engage with the community offering reassurance and crime prevention advice.
