### Responding to issues in your community

Operation TOTON has been set up to target individuals suspected of dealing Class B Drugs to young people in and around Sudbury. Suspects are being identified through recent intelligence for engagement and enforcement opportunities when seen.

### Making the community safer

Operation Galileo has been adopted by numerous Constabularies to tackle the rise in hare coursing and the other aspects the activity can encourage. Gangs will indiscriminately drive over land and ruin crops, fences and gates. A high level of intimidation has also been used against landowners who challenge intruders. The NPT Rural Crime Unit along with SNT's and response officers have been tasked regarding this activity.
