CORPORATE MESSAGES

NEVER LEAVE AN OPEN INVITE

Residents are being advised to 'Close it, Lock it, Check it' and be vigilant with their home security to help keep burglars at bay.

During the past month there have been incidents of access being gained via open windows.

The warmer months often bring with them a rise in burglaries due to insecurities, as people have more windows and doors open and forget to close them. Be aware that open windows can be seen as an opportunity for burglars

Please make sure you remain vigilant with your home security:

- Keep your doors locked at all times, even when you are in the house.
- Keep windows locked especially at night and when you go out, especially vulnerable windows such as those down stairs.
- Do not leave any keys in locks or close to doors or windows. Make sure you have a fire plan so you can get out in the case of a fire.
- Check your garden to ensure there is nothing that could be used to force entry with.
- Keep back gates locked and make sure that there is nothing that could be used to climb over with, such as a wheelie bin.
- Register your valuables for free at www.immobilise.com If recovered by police they can be returned to you and registration may assist in a prosecution and deterring crime.
- Report anything suspicious immediately on 101 or 999 in an emergency.

Remember, Close it, Lock it, Check it.

Further home security information can be found under the 'Safety Advice' section on the Suffolk Police website www.suffolk.police.uk

Vehicle Crime – Remove valuables and lock vehicles

Police are once again appealing to car owners to always lock their vehicles and remove valuable items.

During the past month there have been several incidents where entry was gained to unlocked vehicles. Some residents are leaving cars unlocked even when the vehicles are parked on driveways.

Police are encouraging car owners to get into the habit of locking vehicles where ever the vehicles are parked and for any length of time. Check that the lock has engaged. Setting an alarm or immobiliser will make it more difficult for a thief. Make use of a garage to make your vehicle more secure.

By doing this, it could make the area less appealing to offenders and discourage them to commit crime.

Suffolk is a safe County, but everyone has a responsibility to help make it even safer.

***You are always welcome to come and meet us at the venues in the events section. Good advice is also available at the following: www.suffolk.police.uk/safetyadvice.aspx and

Our noticeboard at the police office contains information and advice. Currently it concerns burglary prevention. This information mirrors that available at the above link. Advice and crime reduction items (alarms, light timers etc) are available from the team at the office. Please contact us below.

There are a number of ways you can get in touch with Suffolk Constabulary depending on the urgency and type of request.

By telephone in an emergency always dial 999. Dialing 999 is a must if you are facing an incident or crime right now and you need police help immediately.

The Suffolk Constabulary non-emergency number 101 is the number to call when you want to contact police when it is less urgent than 999.

The non-emergency number is available 24 hours a day, seven days a week.

Alternatively you can report a crime online.

If you want to speak to your local Safer Neighbourhood Team and it's not urgent using email will be quickest and if you want any member of the team will get back to you within 24hrs. The SNT email address is: woodbridge.snt@suffolk.pnn.police.uk

If you have an issue with how the police have handled a local community matter, such as dealing with an incident of ASB, or if you have an issue relating to something like a series of crimes occurring in your area, we advise that you speak to your locality Inspector Roger Salmon, to highlight your concerns. Inspector Salmon will be able to review the circumstances of the incident/matter and our response and make an assessment about how it is handled.

If the nature of your concern is more serious, we have a formal complaints process and details for this can be found at: <http://www.suffolk.police.uk/contactus/complaintsandcompliments.aspx>

NEIGHBOURHOOD WATCH SCHEME

There are a number of established Neighbourhood Watch Schemes across the 3 Ward areas. For information on local schemes & to find out how to set up a Scheme, please visit the below Suffolk Neighbourhood Watch Website.
