During the month of May there were a total of 276 investigations in Woodbridge. This is an increase from April where we recorded 219 investigations. (Investigations relate not only to recorded criminal offences, but also safeguarding individuals). Parishes have been affected by, residential / garage / shed burglaries, thefts from motor vehicles, criminal damage and ASB incidents. Investigations also include reassurance and crime reduction surveys.

### Making the community safer

### Preventing, reducing and solving crime and ASB

Our team continue to provide a mobile and foot presence in and around the 'hot spot' areas where crime and ASB is occurring. We provided regular foot patrols of Woodbridge Town Centre and in particular the Library where ASB issues have been reported.  
 Wickham Market in particular Market Hill are being regularly patrolled due to reports of ASB.  
 To assist in combating ASB in Wickham Market we would encourage local residents to report issues via 101 or [www.suffolk.police.uk](http://www.suffolk.police.uk)  
 We have been conducting patrols of the Tesco car park, Martlesham with regard to possible vehicle ASB due to the onset of lighter evenings. We work closely with our partner agencies. i.e. ASB Team and Local Housing Authorities to provide advice and support to victims of crime and those affected by the ASB.
